REACH Compliance Declaration

We, VEGANIC NATURE S.L, hereby declares that PROTEGEA URTIX (VEGANIC) and AFTIRIUM (LCM PLANTIQ) are compliant with Regulation (EC) No. 1907/2006 of the European Parliament and Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation, and Restriction of Chemicals (REACH), regarding the registration of substances placed on the European market and the presence of Substances of Very High Concern (SVHC) in their products.

Based on the information provided by our suppliers, we issue this declaration concerning the following chemical substance:

Trade name VEGANIC: PROTEGEA URTIX

Trade name LCM PLANTIQ: AFTIRIUM

Chemical name: Urtica spp. (Urtica urens, ext.; Urtica dioica, ext.)

EC number: 290-397-9; 281-685-5

CAS number: 90131-83-2; 84012-40-8

Intended use : Plant protection product

We declare that the substance in question is compliant with the requirements of the REACH Regulation for its manufacture and placement on the European market.

Furthermore, we confirm that this substance has not been identified as a Substance of Very High Concern (SVHC) and is therefore not included in the Candidate List for Authorisation.

Yours sincerely,

Mayte Fernández Perea
Regulatory Affairs Director
